Welcome

On behalf of Masters Swimming Queensland (MSQ), I wish to welcome everyone to the 2025 North Queensland Championships hosted by Townsville's Long Tan Legends (QLT).

MSQ welcomes swimmers from throughout Australia. I wish to offer a special thank you to Bert Collyer and Maggie Georgopoulos, who have taken on the roles of Meet Convenor and Meet Director again for the second delivery of this event.

MSQ is grateful to Bert and Maggie for their time, dedication, and effort to help organise this event. Thank you also to all our officials who are supporting this event - with some newer faces on deck for this event, we hope you enjoy this experience, and we welcome you to Masters swimming!

Thank you to all our volunteers for the time you give us - we could not present these events without you.

Finally, thank you to all our swimmers for choosing to support this event. We know this event will provide you with opportunities to enjoy a relaxed competition environment to help you achieve your goals and an opportunity to spend time with old friends and make new ones too.

I would like to wish everyone involved a happy and successful event. Swim hard and enjoy the fitness, friendship and fun that this event offers.

Good Swimming,

Susanne Milenkevich President, Masters Swimming Queensland

Warm-up start time

Warm-up will commence at 12:00PM Saturday and 7.30AM Sunday. The competition lanes (1-7) will close at 12.20PM and 8.00AM, with lane 8 remaining open throughout the duration of the day's session for warm-up and swim down. Follow the directions of pool staff and Technical Officials for lane use.

Self Marshalling

All swimmers will be required to self-marshall. People who are not swimming or officiating should not be near the starting end of the pool during the meet.

- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat, and regularly reminding how many heats there are in total for the current event.
- No more than four (4) heats of swimmers are permitted in the marshalling area including behind the blocks:
 - 50m events - 4 heats following heat in water
 - 100m events - 4 heats following heat in water
 - 200m events - 3 heats following heat in water
 - 400m+ events - 2 heats following heat in water
- Swimmers in the 50m events must be prepared to move quickly.
- Swimmers in the 400m events should be prepared to report early to the marshalling area as heats may be combined to save time.
- The Marshal will be a helper who can verify a swimmers' position, answer questions, and direct heats to the blocks.
- The Check-Starter(s) will do a name and lane check behind the blocks prior to the heat.

Live results will be made available for this meet. The Meet Mobile application will be operating and can be downloaded to your chosen device(s). Results will be posted to the MSA Portal, with results and statistics posted on the MSQ website meet event page in the days following the meet.
