Welcome

Welcome on behalf of the members of the Toowoomba Master Swimming Club, we welcome you to our 2025 swim meet.

To all the swimmers attending our swim meet I would like to extend the club's thanks. I hope you enjoy the day, meet some new friends, and catch up with some old friends.

Thanks are extended to all the volunteers and club members who have helped to get the swim meet organised. As always, much appreciation is extended to the officials, timekeepers and our various support people that are needed to make the meet a success.

Several of our members have been very generous either as individuals or through their business with donations to the raffle. Thank you to all who have helped with this and donated raffle prizes. The raffles will be drawn during the day.

Function

Competitors, supporters, and visitors are welcome to join us for dinner at The Toowoomba Sports Club on the Saturday evening.

Please indicate your interest in attending dinner by emailing RSVP to the secretary@toowoombatadpoles.org.au. This will allow us to make a reservation on numbers on Saturday.

Eligibility

This meet is open to Masters Swimming Queensland (MSQ) registered swimmers, and swimmers registered with other Masters Swimming Australia (MSA) affiliated clubs. Swimmers must compete for their primary MSA club. Second claim membership will not be accepted. International swimmers who are current members of their national Masters Swimming Federation may also compete (proof of membership must be provided).

Non-Member swimmers are not permitted to enter this meet. MSA/MSQ membership is available via the [MSA website](https://www.msa.org.au).

Age

Age as at the 31 December 2025. Minimum age is 18 years at day 1 of competition.

Entries

Entries are to be submitted online via [Swim Central](https://www.swimcentral.com.au). Entries will open on 19th August 2025 and **closing date for entries is Tuesday the 23rd of September 2025**. International Masters members are invited to contact Secretary QTW secretary@toowoombatadpoles.org.au who will provide specific entry instructions.

Late entries may be considered but will incur an additional fee of \$30. Late entries are subject to lane availability in the event

and may result in swimmers being entered in the slowest heat.

Conduct of events

Heats will be swum from fastest to slowest. The fastest seeded heat will be heat 1 of each event. All events will be conducted as timed finals. Starts will be 'over the top' where possible.

Please note based on numbers and combinations of entries received, the meet organisers reserve the right to make changes and combine heats and events where necessary.

Qualifying times

There are no qualifying times required for this meet. On selecting an event in Swim Central, if you have matching results from the previous two (2) years, the fastest time will be displayed. If you have no previous results, "NT" will be displayed, and you may be seeded in the slower heats.

It is advised that you email the Secretary QTW secretary@toowoombatadpoles.org.au to provide a recent or training time. If you have a valid reason that may vary your performance greatly, you may also request a seed time change.

Relays

Race Secretaries must complete relay nominations in Swim Central by the closing date. Clubs entering relays must ensure their members are entered individually in ample time to complete relay entry. Clubs may enter multiple teams per age group for all relays. Any changes to relay composition shall only be accepted if due to illness or nonattendance and advised to the Meet Recorder before the commencement of competition.

Swimmers must enter at least one individual event to be eligible to swim in a relay team. All relays must consist of members or second claim members of the same club. All teams not disqualified will score points.

Relays are to be swum in the order swimmers are nominated in their entry. Mixed relays must consist of two (2) males and two (2) females. The order of swimmers by gender is optional in mixed relays. A swimmer may only swim a particular relay event once.

You will lodge your request in Swim Central against your entries. Go to your profile, to the meet, to the event, and click the green 'Entered' button for the event to withdraw from. The Order History page will display, and you will click the 'Request Refund' link for that event and provide a reason. Once the meet organiser has approved, you may then add another entry.

If you are withdrawing from the meet entirely, you will need to click the 'Request Refund' link for each and every event entered (including \$0.00 events), and also the Meet Entry Fee, (where applicable), then provide a reason. This requires approval before changes are confirmed. If approved, a refund will be granted, minus the administration fee(s).
