Team details

Each team must consist of 4 to 10 swimmers and may include members from any combination of clubs. Swimmers may enter as a team or individually. If a swimmer enters individually, they will be placed in a team by Belgravia Masters and advised of their team on the day.

Event overview

The event will run for a total of 2 hours. Team swimmers will swim 100 metres each in relay format and can choose to vary the order of swimmers throughout the swim according to their own strategy. No swimmer may enter the water after the two-hour time limit, however, swimmers already in the water at that time may complete their 100 metres.

IM requirements

Every kilometre, a 200 metre IM must be swum, corresponding to laps 10–11, 20–21, 30–31, and so on. The IM is to be completed by two swimmers (fly/back, breast/free).

Prizes

The winning team will be determined by the longest total distance achieved within the time limit (2 hours). Prizes will be awarded to the first, second, and third place teams. If two or more teams complete an equal number of laps, the placing of the final 100 metres will determine the overall result.

Lane management

Each lane will have an assigned lap counter who will ensure that IMs are completed at the correct intervals and that lap counts are accurately recorded.

Start time

Please arrive at the Burpengary Regional Aquatic & Leisure Centre (1 Aquatic Centre Drive, Burpengary, QLD, 4505) at 8:30am for a 9:30am start.

Venue

The Burpengary Regional Aquatic & Leisure Centre is an indoor venue with concrete grandstand seating. Free centre parking is available onsite. Both spectators and swimmers will have free entry to the meet.

Refreshments

Food such as tea, coffee, cold drinks and snacks will be available from the Cafe throughout the event.
