## Self-Marshalling

- All swimmers will be required to self-marshall. People who are not swimming, volunteering, or officiating should not be near the starting end of the pool during the meet.
- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of which event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat and regularly reminding swimmers how many heats there are in total for the current event.
- An entrant who fails to report to the marshalling area prior to their heat being called to the blocks may be deemed withdrawn.
- No more than four (4) heats of swimmers are permitted in the marshalling area including behind the blocks:
  - 50m events - 2 heats prior to the heat in the water
  - 100m events - 2 heats prior to the heat in the water
  - 200m events - 1 heat prior to the heat in the water
- Swimmers in 50m events need to be prepared to move quickly.
- The Marshall will be a helper who can verify a swimmer's position, answer questions, and direct heats to the blocks. The Check-Starter(s) will do a name and lane check behind the blocks prior to the heat.
- To avoid pool-deck congestion, a one-way clockwise system will be in operation. Please see the site map for more information.
