~~LONG~~ COURSE  
Swim Meet 2026

SATURDAY 27<sup>TH</sup> JUNE

**MEET GUIDE**

## Brisbane Southside Masters 2026 Swim Meet Update

### Update 11<sup>th</sup> June 2026:

The limit of one 200m event per swimmer has been removed. Swimmers can now enter multiple 200m events, providing greater flexibility and more opportunities to race their preferred strokes and distances.

Brisbane Southside Masters (BSM) is pleased to confirm that the 2026 swim meet will be held in a short course format, rather than the originally planned long course.

This decision reflects both rising venue costs and our commitment to keeping the meet accessible and affordable for swimmers. It also aligns with strong feedback from the Masters community following the recent MSA National Championships, where many clubs expressed interest in another short course opportunity to build on performances and participation.

With Nationals reaching capacity, we expect strong demand, and this one-off short course meet will provide a great opportunity for swimmers across all levels.

BSM remains committed to long course racing and will actively pursue funding and sponsorship to deliver a long course meet in 2027.

We look forward to welcoming swimmers to a competitive and high-quality meet in 2026.
