

TIMEKEEPER

AND

CHIEF TIMEKEEPER

COURSES

WHEN: SATURDAY MARCH 30
Commencing 10am – 12noon

WHERE: Café Aqua, Brisbane Aquatic Centre
Sleeman Sports Centre, Chandler

BRING: Pen & Notepaper

PRE-COURSE READING: Links will be emailed the week prior to the course.

By completing a Timekeeper's Course and the practice sessions, you will learn the correct operation of a Stopwatch and a Semi-Automated Timing Device.

This skill is necessary for correct timing at Swim Meets, Postal Events and Endurance Events.

The Chief Timekeeper course will instruct on managing a group of Timekeepers at a Swim Meet.

The course will take 1-1 1/2 hours and will involve completing examples and then getting your log sheet signed off as competent in all areas on at least two occasions.

If you have previously done a course but never completed your log sheet, come along for a re-fresher course and get your Time Keeper accreditation completed.

The Course will be run by one of the MSQ Technical Officials – Heather Butler

Please register your attendance and supply email address (for pre-course material) by Mon March 25th to:

Heather Butler – swimnsew@gmail.com or Mob 0417 634 006 (Any enquiries? Pls call)
