Welcome to the UQ Masters Short Course Sprint and Relay Meet for 2019. We trust you will have a great day with some fast swimming, plenty of PBs and maybe a record or two, but most of all have fun with friends and we hope you meet some new ones too. We also hope you enjoy some of the new additions to the meet: Fins Swimming, Race Techniques Clinic and some new approaches to how swim meets are run.

Details:

- Warmup will commence at 12:00pm until 12:45pm in the 25m pool; meet starts at 1:00pm with a late afternoon finish expected. Two (2) lanes in the 50m pool will be available throughout for warmup and swim down. All other lanes of the 50m pool are out of bounds.
- Members from all clubs may be called on to assist with timekeeping throughout the meet.
- Food will be available for sale from the Aquatic Centre canteen throughout the event. The Aquatic Centre will have coffee, drinks and snacks for sale as well as a range of swimwear and accessories.
- Results will be made available at the pool, on the Meet Mobile app on your mobile device, and online at www.msq-eprogram.com.
- If the meet is affected by storms or a medical emergency, a mandatory safety suspension of events will be imposed. This may require a shortened event format which will be determined by the Meet Director and UQ Aquatic Centre staff. No refund of entry fees will occur under such circumstances.
- No glass is to be brought on site.
- The UQ Aquatic Centre will remain open to the public during the swim meet. Please respect other patrons as they utilise the 50m pool and amenities.
- Medical facilities will be available from qualified UQ Aquatic Centre personnel.

Relays:

- No new relay entries will be accepted on the day or at the meet.

Awards:

- Presentation of the awards will take place after the final event at the UQ Aquatic Centre.
- Awards will be presented to:

- "In-water" starts apply using any style of fins;
- Marshaling will walk swimmers to the blocks carrying their fins – fins may not be worn at this time;
- Just prior to the heat, swimmers will be asked to approach the blocks, sit on the edge and put fins on. Swimmers may put a towel down on the side of the pool to prevent damage to swim suits;
- The whistle will sound indicating swimmers can slide into the water;
- One hand must remain on the side of the pool/block;
- On the starters command, "take your mark", swimmers must ready themselves in a starting position and then immediately remain still until the starting beeper sounds;
- The normal rules of swimming apply – no further than 15m underwater at the start and after the turn;
- Fins must be removed before exiting the pool;
- Swimmers will exit the pool prior to the next heat entering the water.
- There will be no rush to this event with emphasis on enjoyment in trying something new.
