

# **INSPECTOR OF TURNS AND JUDGE OF STROKES COURSES**

**WHEN:** **SATURDAY February 8**  
**Commencing 10am – 11.30am**

**WHERE:** **Noosa Aquatic Centre in the crèche**  
**Noosa Heads**

**BRING:** **Pen & Notepaper, Water etc**

**PRE-COURSE READING:** Links will be emailed the week prior to the course.

By completing an IOT Course and the practice sessions, you will be able to ensure that starts, turns, finishes and changeovers are correct at a swim meet and by completing a JOS Course that swimmers comply with the relevant rules regarding swimming strokes.

The course will take 1-11/2 hours and will involve completing examples and then your log sheet needs to be signed as competent in all areas on at least two occasions. (2 different swim meets)

If you have previously done a course but never completed your log sheet, come along for a refresher course and get your Time Keeper accreditation completed.

The Course will be run by one of the MSQ Technical Officials – Robert John Barrett

Please register your attendance and supply email address (for pre-course material) by Wed Feb 5 to:
