Swimmers should put their masks back on as soon as practicable after their race.

Entry and contact tracing:

All registered competitors and officials are to enter by the signed side gate and must ensure each day their name is ticked off on the list of attendees. If your contact details held by MSQ need to be updated please email admin@mastersswimmingqld.org.au as a matter of urgency, as these are the details that will be used for contact tracing purposes. Spectators are to enter via the main entrance and must scan in using the venue's QR code.

Club seating:

Clubs have been allocated designated seating/tents areas based on the size of their teams (see map). Teams of 3 or less have been allocated seating in the stand (see map). Clubs are to bring their own tents and individuals are encouraged to bring their own chairs. You must sit in your designated club tents/areas unless marshalling, swimming, timekeeping or utilising the facilities. Spectators may sit with you in your designated club area as long as capacity limits can be maintained. Please do not linger in the marshalling areas or other communal areas.
