GBRMG21 Update:

Thank you for your entries. We wish you well in your swims, and hope you enjoy your time in north Queensland. We have had a record number of entries this year. In fact, we have doubled previous meets with 280 entrants!

With this great number comes some challenges and the following is some very important information that you must take careful note of.

We have produced an interim Meet Timeline and the Day One schedule has the session ending past 8pm. This is not possible so we have had to make a few alterations:

1. The Day One session will now commence at 12:45pm sharp (400 IM) with the warm-up commencing at 12:00pm. The session was scheduled to commence at 2:00pm.
2. All 400m events entrants will be required to check-in with Marshaling prior to the end of the event before theirs. If you do not check-in you may lose your place in the event.
3. IMPORTANT - Event 6 - the 200m IM will now be held on Friday morning after Event 7 - the 100m Backstroke at approximately 9:00am.

If we all work together and support the event staff, we can get the Thursday session completed by 6:00pm.

This is how you can help. If you already know that you will not be swimming one, or all of the 400m events you have nominated in, please contact us as soon as you know. You can do this via email anytime - Martin Banks - recorder@mastersswimmingqld.org.au. If you decide on the day of the meet, you must email if before the meet, or report immediately to the Marshaling Area, or the Meet Recorder in the recording area.

Here is a guideline for the event timing on Day One - this is only a guide and you should ensure you are ready well before as there will be changes made. If your arrangements won't allow you to make the earlier start time, don't panic and please let us know. We can move you to a later heat.
