For the guidance of competitors

- Swimmers must comply with signage on pool deck regarding the use of the warm-up and swim-down lanes. Diving will not be permitted unless the signage indicates otherwise.
- Paddles and watches are not permitted to be worn during competition, warm-up or swim-down.
- At the conclusion of warm-up periods, swimmers must leave the competition pool promptly when asked to do so.
- Event(s) to be marshalled will be announced.
- Swimmers should keep clear of timekeepers moving to the blocks to collect times. Use care and discretion when preparing for your start prior to the previous heat completion, i.e. adjusting your block's kick position.
- Starts will be 'over the top'. Competitors will remain in their respective lanes until the next heat is started. Move quickly to the lane rope away from the wall once you have completed your heat.
- When asked to clear the pool lanes 1–4 will exit via the side at lane 1, and lanes 5–8 will exit via the side at lane 8.

Self Marshaling

Marshaling has changed due to the need for physical distancing. All swimmers will be required to self-marshall. The objective is to ensure the meet runs efficiently regarding swimmer movement with no swimmer missing their events.

Meet Details

Swimmers and officials are to be physically distanced and minimise contact with surfaces. People who are not swimming or officiating should not be near the starting end of the pool during the meet.

- Seating is no longer permitted in the marshaling area – in general there will be one seat per timekeeper, and there may be one seat behind for swimmers' use.
- No clothing or gear is to be taken to the blocks – if essential items are required they can be left in a storage zone near/in the marshaling area.
- Swimmers are responsible for knowing the event/heat/lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat, and regularly reminding how many heats there are in total for the current event.
- An entrant who fails to report to the Marshaling area prior to their heat being called to the blocks may be deemed withdrawn.
- No more than four (4) heats of swimmers are permitted in the marshaling area including behind the blocks:
 - 50m events - 4 heats prior to the heat in the water
 - 100m events - 4 heats prior to the heat in the water
 - 200m events - 3 heats prior to the heat in the water
- Swimmers in 50m events need to be prepared to move quickly.
- The Self Marshaling Entry List should be emailed to swimmers and published at least two days prior to the meet.
- The Marshal will be a helper who can verify a swimmers' position, answer questions, and direct heats to the blocks. The Check-Starter(s) will do a name and lane check behind the blocks prior to the heat.

Other information

- MSQ will continually reassess meet details due to the evolving COVID-19 situation to ensure that swimmers' well-being is the highest priority.
- All clubs will be called on to assist with timekeeping throughout the meet.
- Free event parking will be available at the Centenary Aquatic Centre.
- MSQ notes that the information provided is correct at the time of publishing, however, is subject to change.
