

The Toowoomba Masters meet was cancelled in 2020 due to Covid-19, but we have returned in 2021 with our 1500 Postal Swim was held throughout the month of July. The swims are now finished, and the times have been recorded! A huge thank to all the swimmers for your support of our postal meet with restrictions caused by the pandemic affecting everyone.

We received 39 individual entries from 8 clubs and every entrant will be sent a certificate and Tadpole's water bottle. As a side benefit, the club raised some funds for Deb Wagner charity.

Congratulations to all swimmers. We trust you enjoyed the chance to test yourself.
