

MSQ LANE WARRIORS – 2022

Top 5 Winners, Individual & Club Results

The MSX Lane Warrior Program was in 2011. The objective of this program is to encourage as many swimmers as possible to record all the distances swum during the year. The distances include all drills using pool accessories, training program distances, including technique work and those swum at swim meets and in open water throughout the year. At the end of the year, clubs submit summary spreadsheets of all members who have recorded swims. Three age categories have been created and the Top Five winners in each category receive a certificate.

Congratulations to the seven clubs and 74 swimmers who took part in the MSQ Lane Warriors program throughout 2022. The total distance covered was 12,412,212m (12,412km) averaging an impressive 168km per swimmer.
