Welcome

Susanne Milenkevich - President, Masters Swimming Queensland

On behalf of the Masters Swimming Queensland (MSQ), I would like to welcome everyone to the 2023 Queensland Masters State Swimming Championships.

MSQ is proud to host this event at the Mackay Aquatic Recreation Complex (ARC) to showcase our great organisation and sport in a regional city. Be sure to take the time to enjoy what the Mackay region has to offer while you're here.

We welcome swimmers from throughout Queensland, ACT, NSW, NT and Victoria and are proud to support Multi Class Swimming. I wish each of you every success in this beautiful pool over the coming days – swim well everyone!

We are also very lucky to have so many volunteers and supporters ready to give their time to making this event special for us all – I hope you enjoy the experience and know that every competitor appreciates your support because we wouldn't be here without you!

I wish to offer a special thank you to our Vice-President Central, Dan Stampa, who has taken on the role of Meet Director for this event. MSQ are grateful to Dan, and all the team at the Mackay Sinkers, for their time, dedication, and effort to help organise this event. What an amazing team here in Mackay.

Thank you also to all our officials who have travelled from throughout Queensland. Our thanks to John Barrett, MSQ Director of Technical Services, for organising and looking after the team that make events like this happen.

Thank you to Martin Banks, MSQ Director of Recording, for supporting our entrants in Swim Central and preparing the programs and entries for this event; and thank you to David Findlay, MSQ Systems Administrator, for overseeing the timing operations and reporting efforts required to present our awards for this event.

I would like to wish everyone involved a fun and successful event and look forward to enjoying three days of quality racing in the spirit of Fitness, Friendship and Fun!

Dan Stampa – President, North Mackay Sinkers Masters Swimming Club

The North Mackay Sinkers Masters Swimming Club welcome you to Mackay and our Mackay Aquatic & Recreation Complex (MARC). The competition pool at the MARC is a FINA approved 50m pool, and includes a covered 25m warm up pool. The facility opened in March 2019 and will serve the 2023 Masters Swimming Queensland State Championships well. Interestingly split State Championships were held between Brisbane and Mackay in the late 1980's but this is the first Masters Swimming Qld. State Championship is to be held solely in Mackay.

While in the region I hope you will enjoy some of its natural aspects. Consider an early trip to Cape Hillsborough (wallabies on the Beach) or an after swim drive up the Pioneer valley enjoying some trails or maybe pausing at Eungella to take in the vistas. Of course, there are many restaurants, coffee shops and retail outlets to visit as well.

Our club is known as the Sinkers and was first active in 1992 providing 31 years of service to members this year. One of our earlier members is back to help with marshalling and starting but I will leave it to the long-term masters to discover his guest appearance in those roles. Many clubs have a long history, but importantly we have new clubs forming in recent

times and joining us in Mackay for the Championships. In an unbridled plug for the CQ region we have the Gympie Gold Fins (2021), Mackay Swimming Academy Masters (2023) and our newest club The Pioneer Oldphins.

Regardless of your history or where you hail from, the Sinkers welcome you to Mackay and wish you the best of outcomes in and out of the pool during the Championships and for the remainder of the year. We thank you for your support and efforts to attend.

Warm-up start time

Warm-up will commence at 7:30AM. The competition lanes (0-9) will close at 8:15AM, with lanes remaining open in the 25m pool throughout the duration of the day's session for warm-up and swim down. Follow the directions of pool staff and Technical Officials for lane use.

Self Marshaling - know your spot

Please know what event/heat/lane you are competing in before you present at the Marshaling area. That will make it far easier for you and staff in getting to the correct block on time. We will not be seating you in rows. You will present to Marshaling and then be collected by the Check-Starter to take you to the blocks.

- Please ensure you only go to the blocks when the Check-Starter has called your heat.
- Please confirm with the timekeeper that you are in the correct heat and lane.
- 50m events may be fast and frantic so be prepared to move into position quickly.

Timekeeping

- Members from all clubs will be called on to assist with timekeeping throughout the meet.
- Timekeepers: Please do not tell a swimmer what time they swam. It is a rule that Timekeepers are not permitted to tell a swimmer what time they swam. There are a number of factors that might change the time you receive.
- Swimmers: Please do not ask the timekeeper for your time. Wait for the results to be posted.

Withdrawals and changes

Please let us know early if you intend to withdraw from events, particularly 400m, 800m and 1500m events. These events will be merged where possible. Be prepared to report early to Marshaling to ensure you do not miss your event.

Photo/video release

All attendees at this meet agree that they may be photographed or videoed, and that the material may be used by MSQ at their discretion, or by others to promote activities of a club or branch, or for personal use including social media.

Other important information

- 400m+ swimmers are to provide an assistant to operate the lap counter should they require one.
- Paddles and watches are not permitted to be worn during the meet, including warm-up and swim-down.
- Swimmers must comply with signage and pool staff on pool deck regarding the use of the warm-up and swim-down lanes. Diving will not be permitted unless the signage indicates otherwise.
- Pool deck access is limited to marshaling for events, the officials and technical staff. Please do not stand in front of the recording area.
- Swimmers must wear only one pair of Fina approved swimwear. In accordance with MSA Inclusive Swimwear Policy swimsuits may be modified or alternative swimsuits may be worn to accommodate a swimmer's individual needs, provided any modification or proposed alternative swimsuit is approved by the Referee prior to the swimmer's first event at the competition.
- At the conclusion of warm-up periods, swimmers must leave the competition pool promptly when requested.
- Swimmers should keep clear of timekeepers moving to the blocks to collect times. Use care and discretion when preparing for your start prior to the previous heat completion, i.e. adjusting your block's kick position.
- Starts will be 'over the top'. Move quickly to the lane rope away from the wall once you have completed your heat. Competitors will remain in their respective lanes until the next heat is started, then move quickly to the nearest side to exit.

Sun Safety

Shelter is limited at this venue. Please manage your sun protection and hydration well.

First aid

Pool lifeguarding and patrols will be carried out during the meet by pool lifeguard(s). Any accident or injury should immediately be brought to their attention and to the attention of the Meet Director.

Sponsors & Volunteers Thank You

Masters Swimming Queensland and the North Mackay Sinkers Masters Swimming Club would like to thank the following Grant and Service providers as well as our fantastic Officials and volunteers. Without the support of grants, hosting events such as the Championships would be far more challenging to deliver.

The professional delivery of services by Belgravia Management and Fiesta rentals has enabled the 2023 State Championships to come to fruition.

Needless to say, the volunteers and officials allow us to enjoy the coming days of pool and open water swimming and we thank them for their time and service to deliver the Championships.
