Please respect other patrons who may be watching the events. Tea, coffee, cold drinks and snacks will be available at the Aquatic Centre canteen.

ENTRY INFORMATION

Entries

Competitors may enter up to 5 individual events plus relays designated by the club. Please note: One 200m event per swimmer. Entries are to be submitted via [Swim Central](#). Entries will open early May 2023. The closing date for all entries is 30 May 2023. Interstate and International Masters members are invited to register an account and enter directly. International swimmers and teams must supply proof of their current membership. Entries will be processed as quickly as possible and contact made if further information is required.

Relays

Race Secretaries must complete relay nominations in Swim Central by the closing date. Clubs entering relays must ensure their members are entered individually in ample time to complete relay entry. Clubs may enter multiple teams per age group for all relays. Any changes to relay composition shall only be accepted if due to illness or nonattendance and advised to the Meet Recorder before the commencement of competition.

Swimmers must enter at least one individual event to be eligible to swim in a relay team. All relays must consist of members or second-claim members of the same club. All teams not disqualified will score points.

Relays are to be swum in the order swimmers are nominated in their entry. Mixed relays must consist of two (2) males and two (2) females. The order of swimmers by gender is optional in mixed relays. A swimmer may only swim a particular relay event once.

Qualifying times

There are no qualifying times for this meet. On selecting an event in [Swim Central](#), if you have matching results from the previous (2) years, the fastest time will be displayed. If you have no previous results "NT" will be displayed and you may be seeded in the slower heats. It is advised that you email the [MSQ Director of Recording](#) to provide a recent or training time. If you have a valid reason that may vary your performance greatly, you may also request a seed time change.

Meet Details

Warm-up start time

- Outdoor pool will commence at 12:00pm
- Indoor pool will commence at 12:15pm
- Competition will commence at 1:00pm

Diving is not allowed in the outdoor pool. Please follow the directions of officials. Supervised diving – Lane 6 in indoor pool.

Please leave the warm up pool when requested to do so at the end of the warm up time.

Conduct of events

Heats will be swum from fastest to slowest. The fastest seeded heat will be heat 1 of each event. All events will be conducted as timed finals. Starts will be 'over the top' where possible.

Swimmers may nominate for only one (1) event in the 200m races.

Marshalling

All swimmers will be required to self-marshall. Swimmers and officials are to be physically distanced and minimise contact with surfaces. People who are not swimming or officiating should not be near the starting end of the pool during the meet.

- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the event and heat numbers at the start of a new event, and regularly reminding competitors of the status of the heats.
- An entrant who fails to report to the Marshaling area prior to their heat being called to the blocks may be deemed withdrawn.
- No more than four (4) heats of swimmers are permitted in the marshaling area including behind the blocks:
 - 25m events - 4 heats prior to the heat in the water
 - 50m events - 4 heats prior to the heat in the water
 - 100m events - 4 heats prior to the heat in the water
 - 200m events - 3 heats prior to the heat in the water
- Swimmers in the 200m events should be prepared to report early to the marshaling area as heats may be combined to save time.
- The check Starter will do a name and lane check behind the blocks prior to the final.

Other Competition Information

- Members from all clubs maybe called on to assist with timekeeping throughout the meet.
- Paddles and watches are not permitted to be worn during the meet, including warm-up and swim-down.
- Swimmers must comply with signage and pool staff on pool deck regarding the use of the warm-up and swim-down lanes. Diving will not be permitted unless the signage indicates otherwise.
- Pool deck access is limited to marshalling for events, the officials and technical staff. Please do not stand in front of the recording area.
- Pool Depth is 1.2m at the blocks end; and 1.1m at the opposite end.
- Swimmers must wear only one pair of FINA approved swimwear. In accordance with MSA Inclusive Swimwear Policy swimsuits may be modified or alternative swimsuits may be worn to accommodate a swimmer's individual needs, provided any modification or proposed alternative swimsuit is approved by the Referee prior to the swimmer's first event at the competition.
- At the conclusion of warm-up periods, swimmers must leave the competition pool promptly when requested.
- Swimmers should keep clear of timekeepers moving to the blocks to collect times. Use care and discretion when preparing for your start prior to the previous heat completion, i.e. adjusting your block's kick position.
- Starts will be 'over the top'. Competitors will remain in their respective lanes until the next heat is started. Move quickly to the lane rope away from the wall once you have completed your heat.
- When asked to clear the pool, swimmers should move to lane 1 to exit. However, to avoid confusion with swimmers in the next heat seated beside lane 6, exiting swimmers should leave the pool deck on the lane 1 side.
- MSQ notes that the information provided is correct at the time of publishing. However, some aspects are subject to change, including changes required in the event of too many entries being received for the allowed duration of the meet.
