## Marshalling

All swimmers will be required to self-marshal. People who are not swimming or officiating should not be near the starting end of the pool during the meet.

- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the event and heat numbers at the start of a new event, and regularly reminding competitors of the status of the heats.
- An entrant who fails to report to the Marshaling area prior to their heat being called to the blocks may be deemed withdrawn.
- No more than four (4) heats of swimmers are permitted in the marshaling area including behind the blocks:
  - 25m events 4 heats prior to the heat in the water
  - 50m events 4 heats prior to the heat in the water
  - 100m events 4 heats prior to the heat in the water
  - 200m events 3 heats prior to the heat in the water
- Swimmers in the 200m events should be prepared to report early to the marshaling area as heats may be combined
  to save time.

#### **Other Information**

- Members from all clubs maybe called on to assist with timekeeping throughout the meet.
- Paddles and watches are not permitted to be worn during the meet, including warm-up and swim-down.
- Swimmers must comply with signage and pool staff on pool deck regarding the use of the warm-up and swim-down lanes. Diving will not be permitted unless the signage indicates otherwise.
- Pool deck access is limited to marshalling for events, the officials and technical staff. Please do not stand in front of the recording area.
- Pool Depth is 1.2m at the blocks end; and 1.1m at the opposite end.
- Swimmers must wear only one pair of FINA approved swimwear. An additional item of swimwear may not be worn under another while competing.
- At the conclusion of warm-up periods, swimmers must leave the competition pool promptly when requested.
- Swimmers should keep clear of timekeepers moving to the blocks to collect times. Use care and discretion when preparing for your start prior to the previous heat completion, i.e. adjusting your block's kick position.
- Starts will be 'over the top'. Competitors will remain in their respective lanes until the next heat is started. Move quickly to the lane rope away from the wall once you have completed your heat.
- When asked to clear the pool, swimmers should move to lane 1 to exit. However, to avoid confusion with swimmers in the next heat seated beside lane 6, exiting swimmers should leave the pool deck on the lane 1 side.
