9. Inaugural John Crisp Memorial Trophy for the best overall relay performance. While as an individual John was a great competitor, his greatest satisfaction came from team performances. In both surf lifesaving and masters swimming. Criteria include, in ascending order, State record (5 points) and National record (10 points). If a tie, then closest to the national record(s) as a percentage wins. These criteria apply to results in events 8 and 20. (Presented by Crisp Family members Bernice, Sandra, Lee and granddaughter and current Australian Open Water representative, Bianca).

The John Crisp Memorial Trophy

John Crisp was short in stature but a giant in both the masters swimming and surf lifesaving communities. All his life, his thoughts were of swimming. He was a world-class masters swimmer across many events and strokes, a mentor, a coach, and inspiration to all our members.

John loved his relay events. A real team man. It is thus appropriate that when his wife of 63 years, Bernice gave us one of John's favourite and reconditioned personal trophies (pictured), that Miami Masters Swimming Club decided to award the **John Crisp Memorial Trophy for Best Overall Relay Performance** at their Annual Swim Meet. The criteria include, in ascending order, State record (5 points), National record (10 points). If a tie, then closest, in percentage terms, to the national record(s) wins.

Meet Director, Peter Reaburn, had the privilege of training and competing with John for many years as a member of the Southport Surf Lifesaving Club. Below is information relating to John. Written in his own words!

Born Ramsgate in Sydney, 1935. Attended Ramsgate Primary just up the street from Ramsgate Pool complex. I used to sing a song, for entry into the pool each day as money was very short in our household. Didn't wear any shoes to school until I attended High school at Kogarah.

At age 12, after competing in the State and National Springboard Championships, I was selected in the NSW Diving Troop, which gave regular exhibitions of fancy diving during breaks in NSW Swimming Championships, etc.

I did lots of weights and in 1969 I won the NSW Power Lifting Championship- lightweight class 66kg. This included 3 events – bench press, squat and dead lift. My overall total was 300kgs. Body weight 10st 8 3/4 lb.

In 1970 I was a foundation member of the Cronulla Water Polo Club. The Club struggled for many years but went on to become the strongest club in Australia. I coached an under-16 team. Two of the members of this team, Andy Kerr and Randy Gough, went on to represent Australia at several Olympics.

Won Australia's very first Triathlon event in Melbourne in 1970 and again in 1971 in Wagga. It's different now, but then it was swim, run and pistol shooting. Presented by the Australian Pentathlon Association, it was born to attract people to participate in the Olympic Pentathlon, which includes cross-country horse riding, cross-country running, foils (swords), pistol shooting and swimming. The Pentathlon was one of the original events at the beginning of the Olympics in Greece.

Joined North Cronulla SLSC where I excelled in the surf through cadet, junior and senior ranks. I was Surf Champion and Belt Champion from 1951 to 1962 – that's 12 years. I attended 13 years patrol duties in North Cronulla.

Moving up to Queensland in 1971, aged 36, I joined Southport SLSC. Our team became famous for a decade of winning the Australian and State Rescue and Resuscitation R&R event. The most noticeable wins were in the 4-man R&R event. On 2 of these occasions, my son Lee and daughter Sandra competed in the team. Sandra's win made her the first female to win a gold medal in a National Surf Championship in 1983-4.

I have won Masters World Championships in Masters Surf Championships in Iron Man and Surf race events, in age groups 55 to 70 years in New Zealand, South Africa, Brazil and Australia. I joined Miami Masters 1 year after it was formed in 1989. I am a lifetime member of Miami Masters Swimming Club.

Bernice and I married in Sydney in 1961. We have 3 children – Sandra-a jeweller, Lee- a Building Project Manager, and Joanna who is a professional beekeeper, and grows Heliconia flowers.

I have been a builder all my life, starting as a 15-year-old apprentice carpenter. I was a qualified Health and Building Inspector, a Clerk of Works (project manager), and went on to build and develop commercial buildings - churches, shopping centres and office blocks, as well as small apartments. In later years I became a Building Inspector. I studied Arbitration Law at Queensland Uni, and became a Fellow of the Institute of Arbitrators, Australia. During 1990 to 2000 I became the busiest building arbitrator in Queensland.

For 9 years until 2020, I was assistant to the Head Coach, at TSS Aquatics, coaching young people from the age of 10 years. The TSS Aquatics High Performance squad produced three Rio Olympians. I have coached 3 members of Masters for 10 weeks prior to the Hungary World Championships in 2017, with excellent results of 4 gold, 3 silver and 1 bronze. Until recently, I trained an elite group of Master swimmers on Saturday mornings at the Nerang pool, entirely focused on sprint swimming.

John still holds several state and national records across different strokes, distances, and age groups. Vale John Crisp
