Welcome and Meet Summary

River City Masters are excited and proud to welcome all Masters Swimming Australia swimmers to our short course Fast and Furious meet, held at Musgrave Park Aquatic Centre.

With great views of Brisbane CBD, the pool is situated close to the Brisbane River South Bank adjacent to Musgrave Park. It has plenty of space for spectators including a covered seated area with the racing to take place at the river-end of the pool.

This event will be the final short course meet before the first major masters meet of the year: MSQ State Championships taking place in April at the Brisbane Aquatic Centre. We hope you will make the most of this great opportunity and most of all, enjoy the day.

River City Masters would like to take the opportunity to thank Leigh Surveyors for their generous sponsorship of this event.

Eligibility

This meet is open to Masters Swimming Queensland (MSQ) registered swimmers, and swimmers registered with other Masters Swimming Australia (MSA) affiliated clubs. Swimmers must compete for their primary MSA club.

International swimmers who are current members of their national Masters Swimming Federation may also compete (proof of membership must be provided). Non-Member swimmers are not permitted to enter this meet. MSA/MSQ membership is available via the [MSA website](#).

Age

Age as at the 31 December 2024. Minimum age is 18 years at day 1 of competition.

Entries

Entries are to be submitted online via [Swim Central](#).

- Entries will open February 6, 2024.
- Entries will close March 12, 2024.

International Masters members are invited to contact the [MSQ Director of Recording](#) who will provide specific entry instructions.

Late entries may be considered but will incur an additional fee of \$30. Late entries are subject to lane availability in the event and may result in swimmers being entered in the slowest heat.

Conduct of Events

Heats will be swum from fastest to slowest. The fastest seeded heat will be heat 1 of each event. All events will be conducted as timed finals. Starts will be 'over the top' where possible.

Please Note:

- The meet organisers reserve the right to make changes and combine heats and events where necessary.
- A 400m form stroke will not be recognised if swum in the 400m freestyle event.

Qualifying Times

There are no qualifying times required for this meet. On selecting an event in Swim Central, if you have matching results from the previous two (2) years, the fastest time will be displayed. If you have no previous results, "NT" will be displayed, and you may be seeded in the slower heats. You cannot edit your entry times. It is advised that you email the Meet Director rivercityswimteam@gmail.com to provide a recent or training time. If you have a valid reason that may vary your performance greatly, you may also request a seed time change.

Relays

Race Secretaries must complete relay nominations in Swim Central by the closing date. Clubs entering relays must ensure their members are entered individually in ample time to complete relay entry. Clubs may enter multiple teams per age group for all relays. Any changes to relay composition shall be only accepted if due to illness or non-attendance and advised to the Meet Recorder before the commencement of competition.

Swimmers must enter at least one individual event to be eligible to swim in a relay team. All relays must consist of members of the same club.

Relays are to be swum in the order swimmers are nominated in their entry. Mixed relays must consist of two (2) males and two (2) females. The order of swimmers by gender is optional in mixed relays. A swimmer may only swim a particular relay event once.

Multi Class events

Multi Class swimmers are always welcome, however there will be no separate Multi Class events conducted at this meet.
