- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat, and regularly reminding how many heats there are in total for the current event.

- Swimmers in 50m events need to be prepared to move quickly.
- Swimmers in the 400m Freestyle should be prepared to report early to the marshalling area as heats may be combined to save time.
- The Marshall will be a helper who can verify a swimmers' position, answer questions, and direct heats to the blocks. The Check-Starter(s) will do a name and lane check behind the blocks prior to the heat.
- To avoid pool-deck congestion, a one-way clockwise system will be in operation. Please see the site map for more information.

- Standard training fins should be worn: any swimmers attempting to compete with fins that would otherwise not be used in standard training or are considered unsafe will be disqualified by the Meet Referee.
- Swimmers may start fins races from the blocks (two feet forward) as a dive or from the water by a push start. Any swimmers requiring assistance onto the blocks should alert a timekeeper or a check-starter.
- Swimmers are expected to surface after a maximum of 15m underwater following the start and, after each turn.
- In all other circumstances, standard Masters Swimming Queensland competition rules apply.
