MSQ LANE WARRIORS – 2023

Top 5 Winners, Individual & Club Results

The MSX Lane Warrior Program was in 2011. The objective of this program is to encourage as many swimmers as possible to record all the distances swum during the year. The distances include all drills using pool accessories, training program distances, including technique work and those swum at swim meets and in open water throughout the year. At the end of the year, clubs submit summary spreadsheets of all members who have recorded swims. Three age categories have been created and the Top Five winners in each category receive a certificate.

Congratulations to the eight clubs and 96 swimmers who took part in the MSQ Lane Warriors program throughout 2023. The total distance covered was 12,614,759m (12,614km) averaging an impressive 131km per swimmer.
