

MSQ LANE WARRIORS – 2024

Top 5 Winners, Individual & Club Results

The MSQ Lane Warriors Program is a fitness challenge designed to track and celebrate every metre you swim—whether it's a short session or a long-distance effort, in the pool or open water. Launched in 2011, this program encourages swimmers to log all their swimming distances throughout the year.

At the end of each year, clubs submit summary spreadsheets detailing the distances recorded by their members. Participants are grouped into three age categories, and the Top Five swimmers in each category are awarded certificates in recognition of their efforts.

Start logging your swims today and become a Lane Warrior! To find out more [Click here](#).
