MSQ is proud to host this event at the Tobruk Memorial Swimming Pool in Cairns. We welcome swimmers from throughout Australia and are proud to support Multi Class Swimming by offering classified swimmers the opportunity to be recognised in their classifications.

I wish to offer a special thank you to Cheryl Brodribb and Ted Bunt, who have taken on the roles of Meet Convenor and Meet Director again for their third delivery of this event together. MSQ is grateful to Cheryl and Ted for their time, dedication, and effort to help organise this event - you are certainly the cornerstones of this wonderful event.

Thank you also to all our officials who are supporting this event - with so many new faces on deck for these Games, we hope you enjoy this experience, and we welcome you to Masters swimming!

Thank you to all our volunteers for the time you give us - we could not present these events without you.

Finally, thank you to all our swimmers for choosing to support this event. We know this event will provide you with the best facilities, opportunities, and competition to help you achieve your goals.

I would like to wish everyone involved a happy and successful event. Swim hard and enjoy the fitness, friendship and fun that the Games offer.

Good Swimming,

Susanne Milenkovich

President, Masters Swimming Queensland

Welcome – Sports Convenor & Meet Director

On behalf of the Great Barrier Reef Masters Games and Masters Swimming Queensland, we would like to welcome everyone to the 2025 swimming component of the Games.

We are proud to host this event at the Tobruk Memorial Swimming Pool Cairns, and we welcome swimmers from throughout Australia and Overseas. We are proud to support Multi Class Swimming by offering classified swimmers the opportunity to be recognised in their classifications.

Thank you to Cairns Clams Masters' and Tobruk Memorial Swimming Pool staff for their time, dedication, and effort to help organise this event. We enjoyed our coffee meetings all with lots of laughs.

Thanks must go to our MSA officials who have travelled from throughout Queensland plus the local Swimming Queensland officials who will be officiating with us.

Thank you to Kathy and Deb from Far North Queensland Junior Swimming for taking on the role of recorders for this meet and to Sam Brown, MSQ Director of Recording for all his assistance.

Our thanks to Jarrod and his staff at the Tobruk Memorial Swimming Pool Cairns for their support throughout the planning and during the games. Also, to the Great Barrier Reef Masters Games, for their dedication, encouragement, and support. Thank you to Category 5 Medics and the pool lifesavers who look after the safety of our swimmers.

We would like to wish everyone involved a happy and successful event. This is a wonderful time to catch up with old friends and make new ones. We hope everyone builds treasured memories of fun and friendship, and that you will return in two years' time to defend your records and/or set new ones.

Self-Marshalling

All swimmers will be required to self-marshall. The objective is to ensure the meet runs efficiently regarding swimmer movement with no swimmer missing their events. People who are not swimming or officiating should not be near the starting end of the pool during the meet.

- Seating is no longer permitted in the marshalling area – in general there will be one seat per timekeeper, and there may be one seat behind for swimmers' use.
- No clothing or gear is to be taken to the blocks – if essential items are required, they can be left in a storage zone near/in the marshalling area.
- Swimmers are responsible for knowing the event/heat/lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat and regularly reminding how many heats there are in total for the current event.
- No more than four (4) heats of swimmers are permitted in the marshalling area including behind the blocks:
 - 50m events - 4 heats prior to the heat in the water
 - 100m events - 4 heats prior to the heat in the water
 - 200m events - 3 heats prior to the heat in the water
 - 400m events - 2 heats prior to the heat in the water
- Swimmers in 50m events need to be prepared to move quickly.
- Swimmers in 400m events should be prepared to report early to the marshalling area as heats may be combined to save time.
- The Check-Starter(s) will do a name and lane check behind the blocks prior to the heat.
- Please stand behind the timekeepers until the completion of the previous heat.

Events

Heats will be swum fastest to slowest. The fastest seeded heat will be heat one (1) of each event.

Starts

At the discretion of the Meet Referee, starts may be affected over the top of the previous heat. Where this is the case, the swimmers from the previous heat are to remain in the water, and to move to one side of the lane until directed by an Official to exit the pool.

Exiting the Pool

Lanes 0 – 9 will be used for most swimming events. When exiting the pool lanes 0 – 4 please exit via lane 0 and lanes 5 – 9 please exist via lane 9. Please do not exit over the end of the pool.

Timekeeping

Start times are dependent upon sufficient timekeepers being in place for the first event of each day.

Timekeeping lanes have not been allocated. We ask that all participating clubs and visiting swimmers assist with timekeeping please to help with the smooth running of the swim meet.

Timekeepers please note:

- Do not respond to swimmers' questions relating to their recorded time – this only delays the meet and if only one time is given it may be the incorrect time.
- Ensure that the swimmer is the person listed on the time sheet.
- If using stop watches and your stopwatch malfunctions, please advise the Chief Timekeeper immediately.

Timing Equipment

We are using the Swiss Quantum – Electronic Timekeeping System. However, we will still require two timekeepers for each lane. Announcements about the timekeeping procedure will be made at the start of each day's competition.

Swimming Rules

The following rules shall apply as at the close of nominations: MSA Competition rules:

Under no circumstances is diving permitted in the 25m pool, but diving is permitted only in designated lanes of the main pool prior to the commencement of the swim meet. Supervisors will be on duty to remind competitors of their obligations. Warm up procedures and signage may change during the swim meet at the discretion of the lane supervisors to suit the needs of the program. Any changes to a relay team, after they have been lodged, are at the discretion of the Meet Director and this decision shall be final.

Protests on swim results must be made in writing and submitted to the Meet Director within a half hour of posting the Provisional Results. Protests are to be made on the official form which is available from the medal table. A protest carries a fee of \$10 which is refunded if the protest is upheld. The fee must be paid when collecting the protest form.
