Conduct of Events

Heats will be swum from fastest to slowest. The fastest seeded heat will be heat 1 of each event. All events will be conducted as timed finals. Starts will be 'over the top' where possible.

Please note: based on numbers and combinations of entries received, the meet organisers reserve the right to make changes and combine heats and events where necessary.

Rules

All MSQ/MSA meet guidelines, by-laws and rules, and World Aquatics swim rules apply. By nominating to participate in this swim meet, all swimmers thereby authorise the Meet Director/MSQ/Sunshine Coast Masters Swim Club/Kawana Aquatic Centre staff to take whatever action is deemed necessary in the event of an emergency, and persons involved accept responsibility for all costs arising from such action.

Participant Safety

Warm-up start time

Warm-up will commence in the 50m pool at 9:00AM. The competition lanes (3-9) will close at 9:45am, with lanes 0 – 1 remaining open throughout the duration of the day's session for warm-up and swim down. Follow the directions of pool staff and Technical Officials for lane use.

Self Marshalling

All swimmers will be required to self-marshal. People who are not swimming or officiating should not be near the starting end of the pool during the meet.

- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat, and regularly reminding how many heats there are in total for the current event.
- An entrant who fails to report to the Marshaling area prior to their heat being called to the blocks may be deemed withdrawn.
- Swimmers in the 25m and 50m events need to be prepared to move quickly.
- The Marshal will be a helper who can verify a swimmers' position, answer questions, and direct heats to the blocks.
- The Check-Starter(s) will do a name and lane check behind the blocks prior to the heat.
